

A Question for Hanukkah

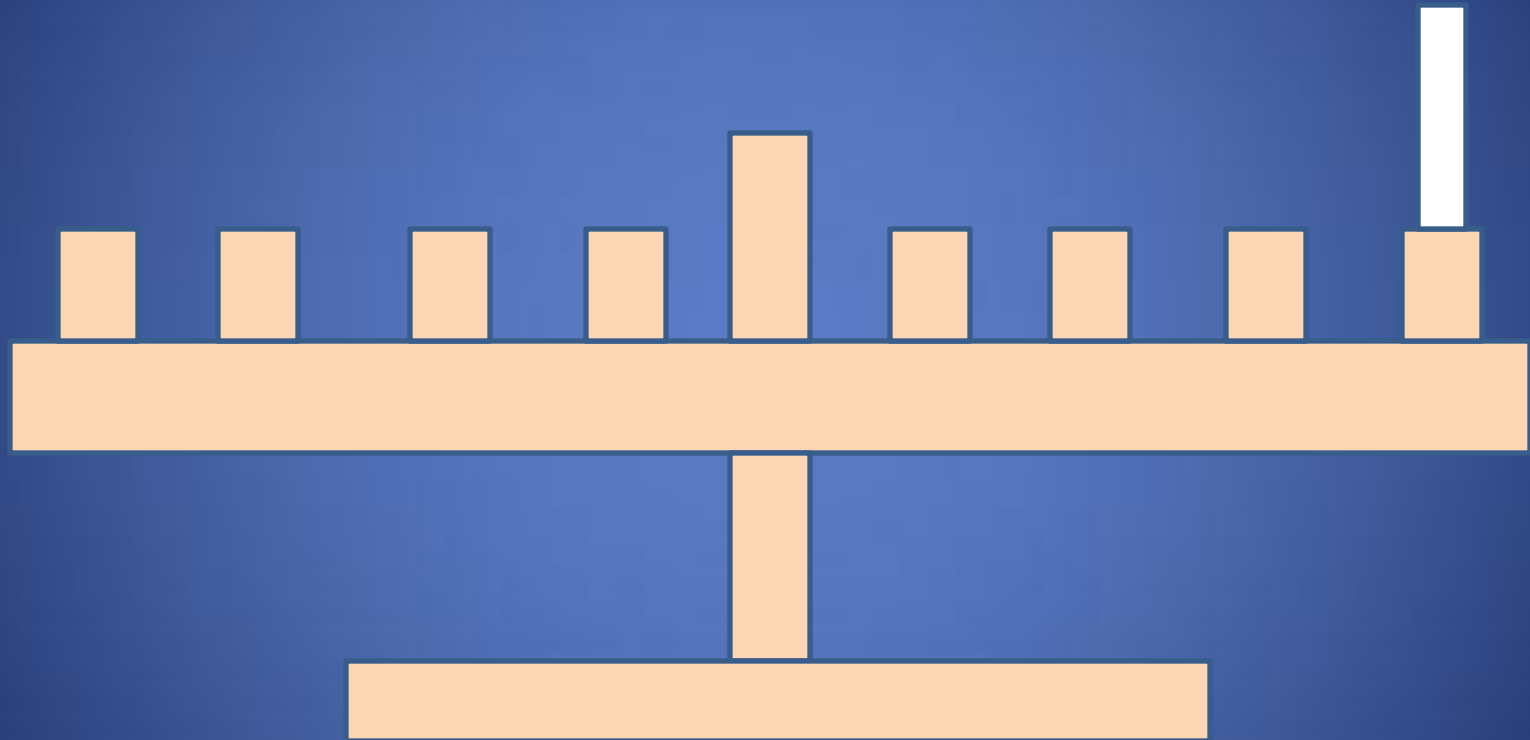

From the Little Minyan Advisory Council

If the Little Minyan were a
Hanukkah menorah...

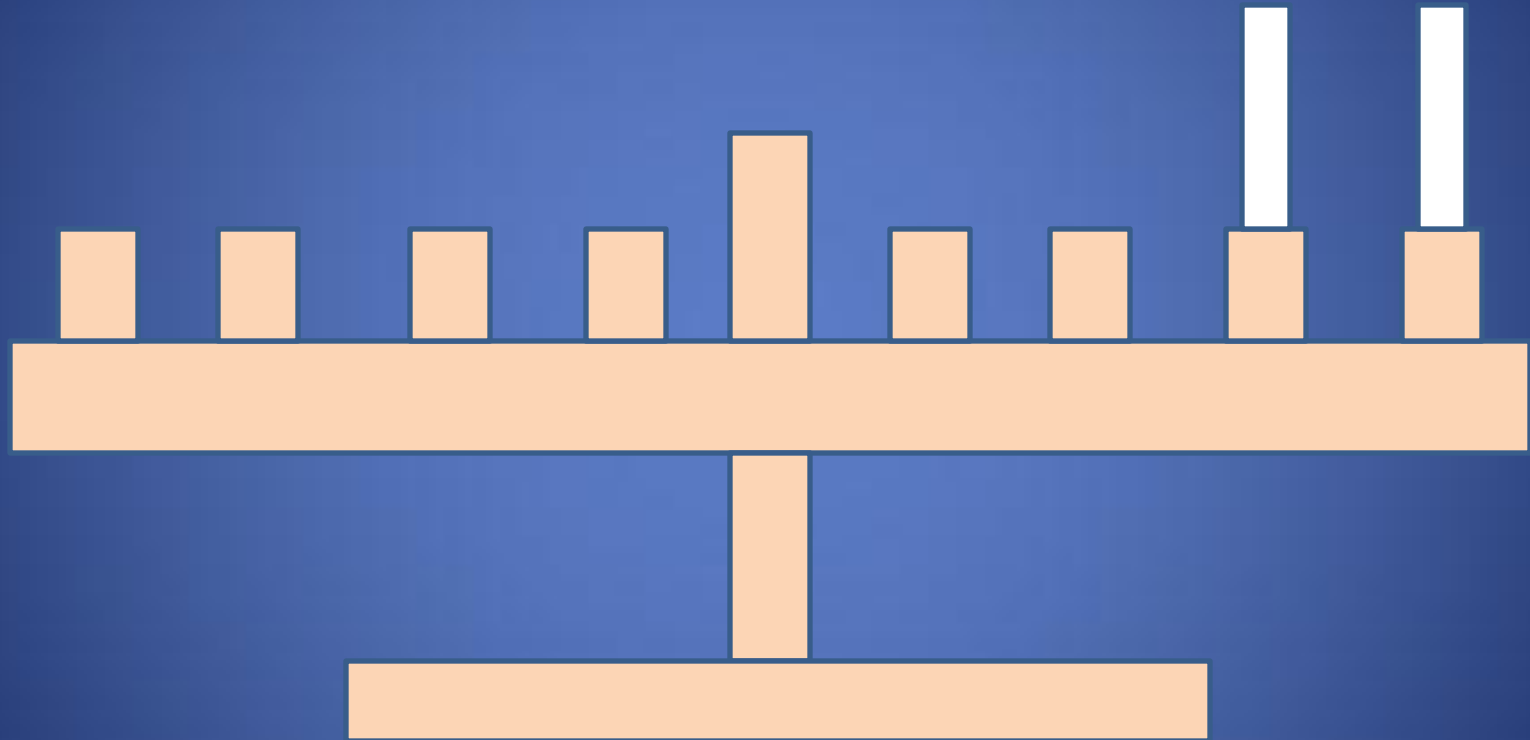

what would each of the candles
stand for?

Compassion

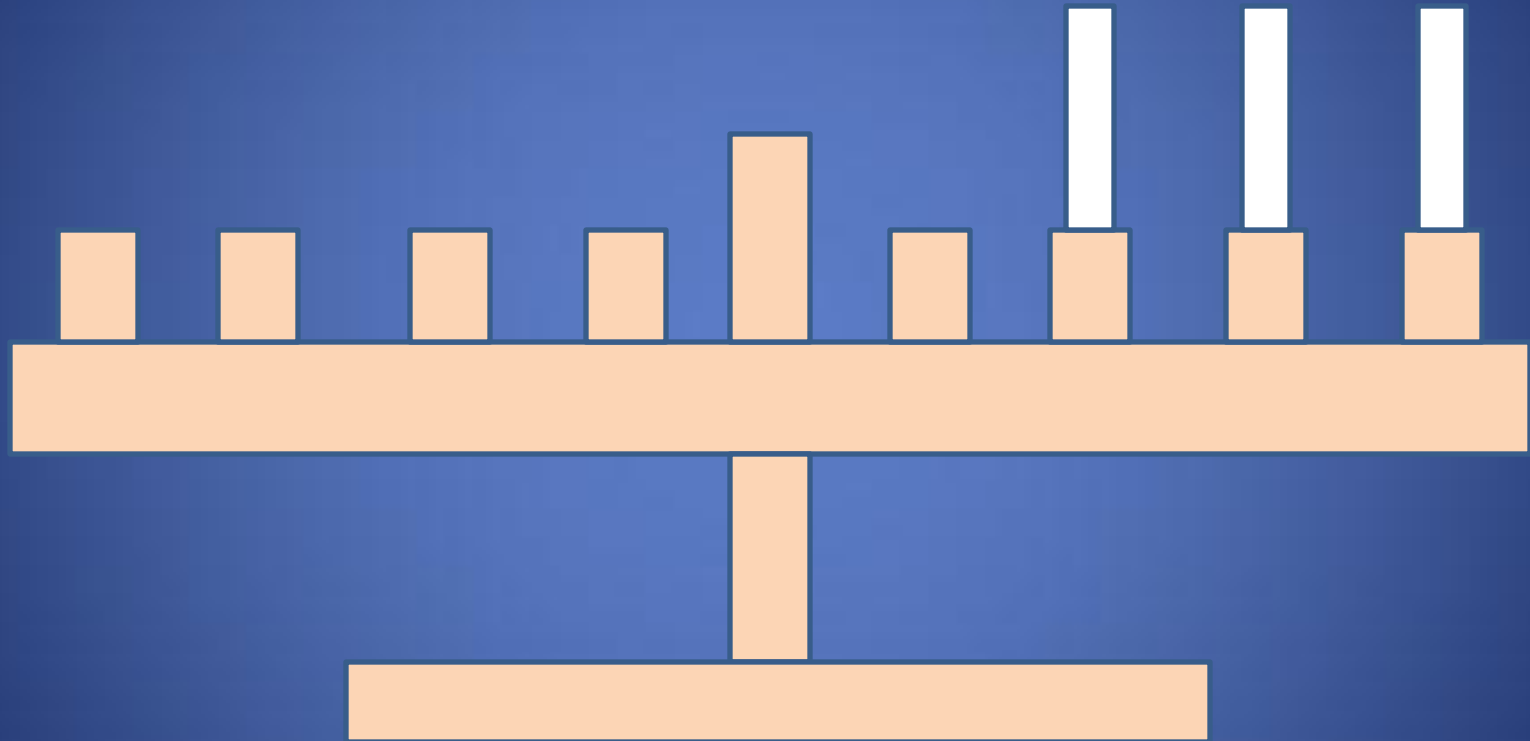

Understanding the needs of others and caring about their welfare...

Learning

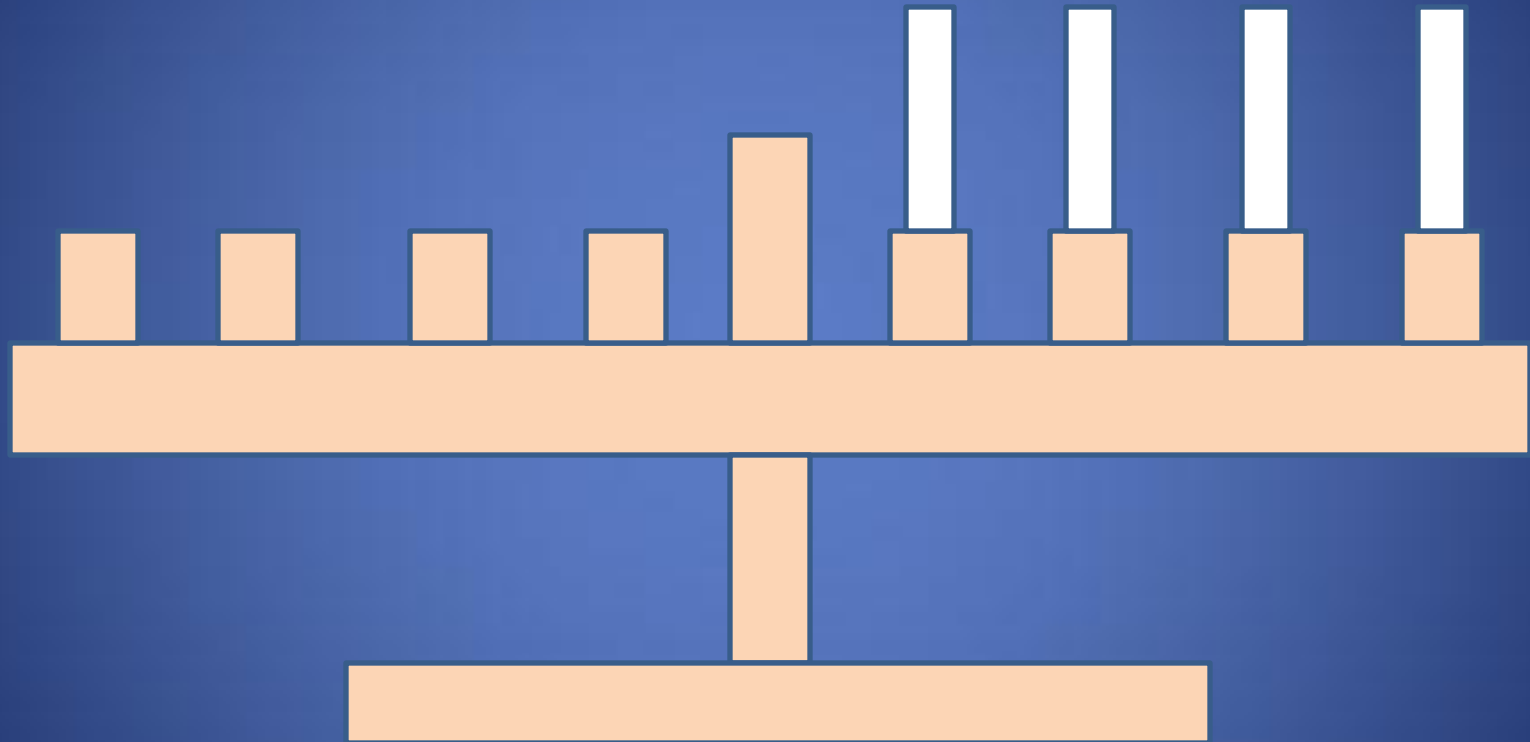

Seeking new knowledge and insight throughout our lives...

Children

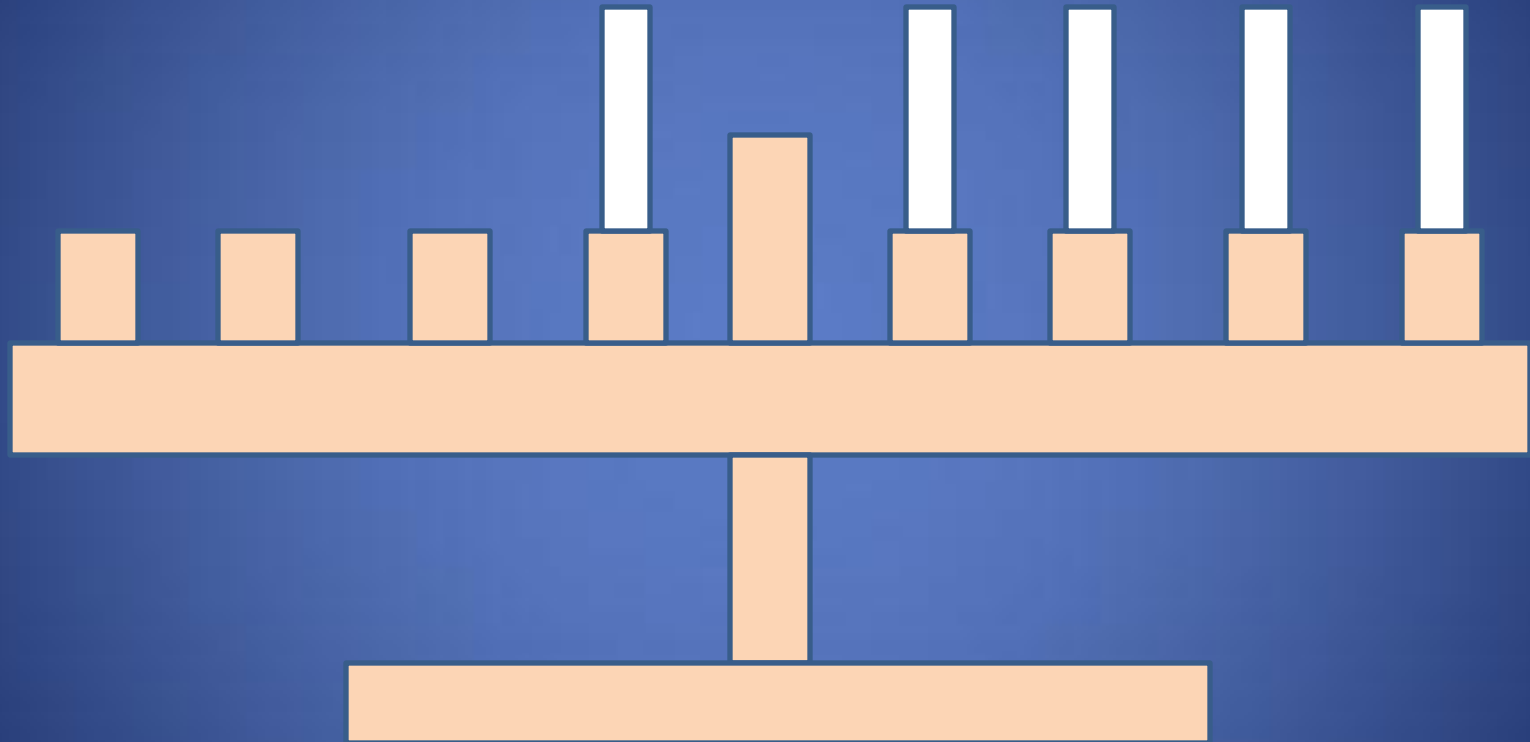

Our hope for the future ...

Community

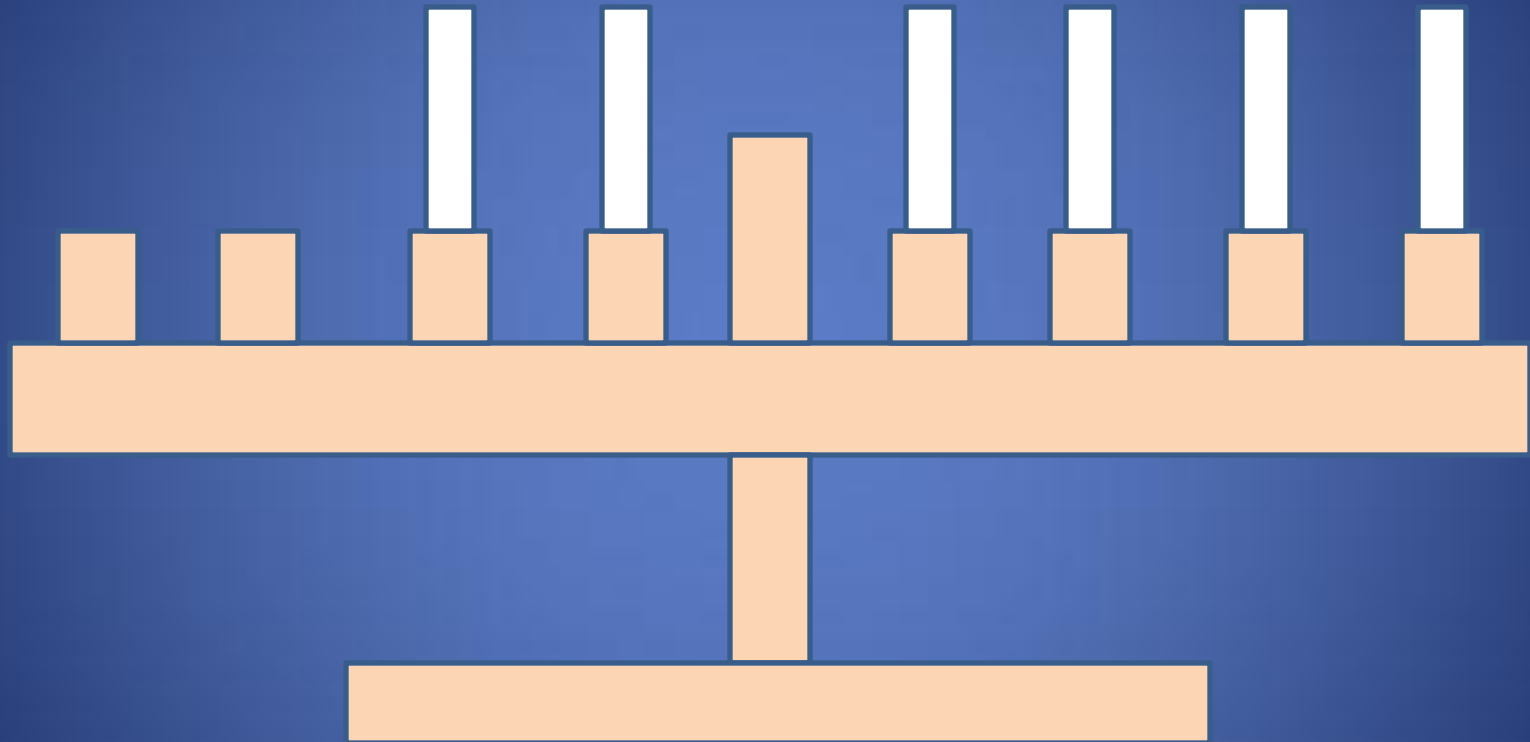

Sharing with one another the gifts of our tradition...

Respect

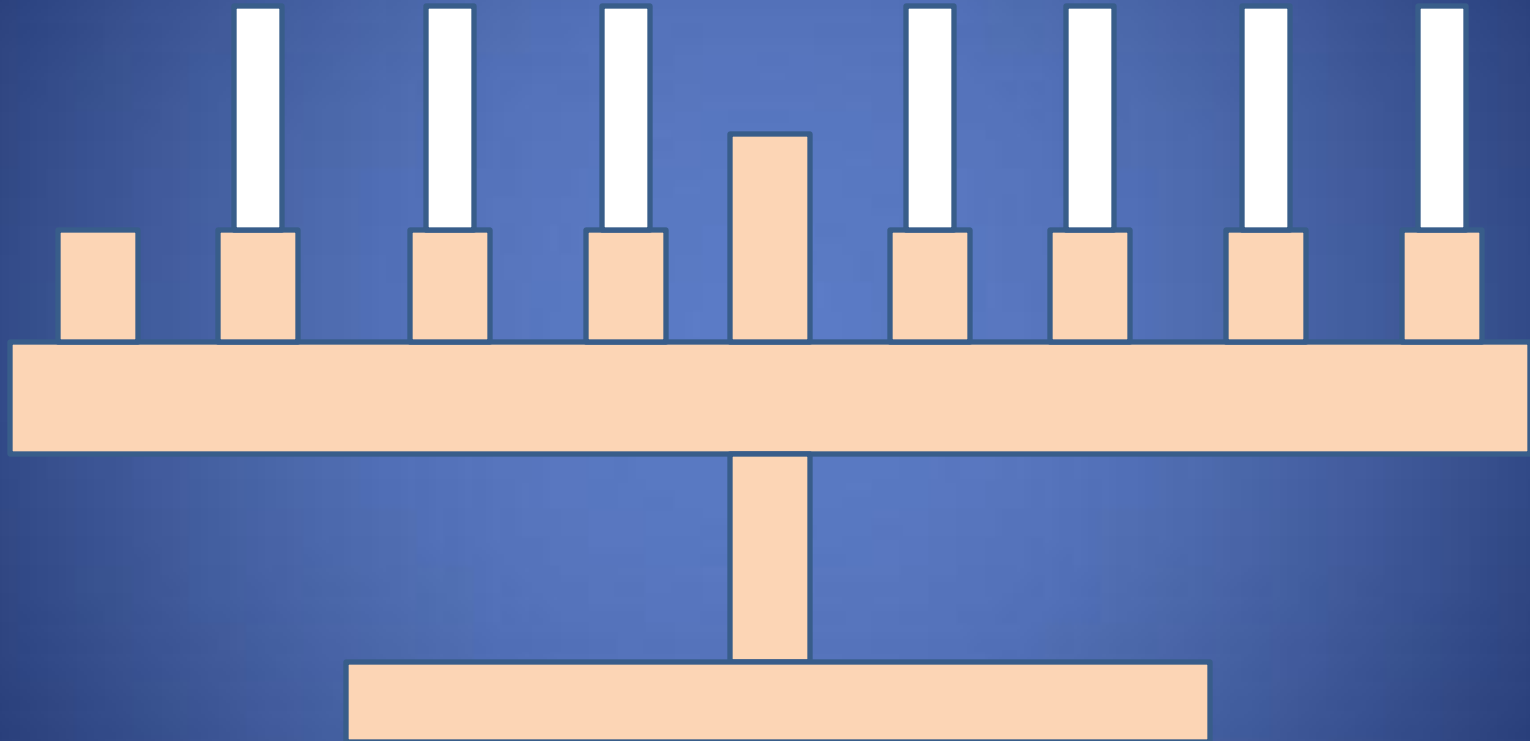

Treating each other in a manner that we ourselves expect to be treated...

Joy

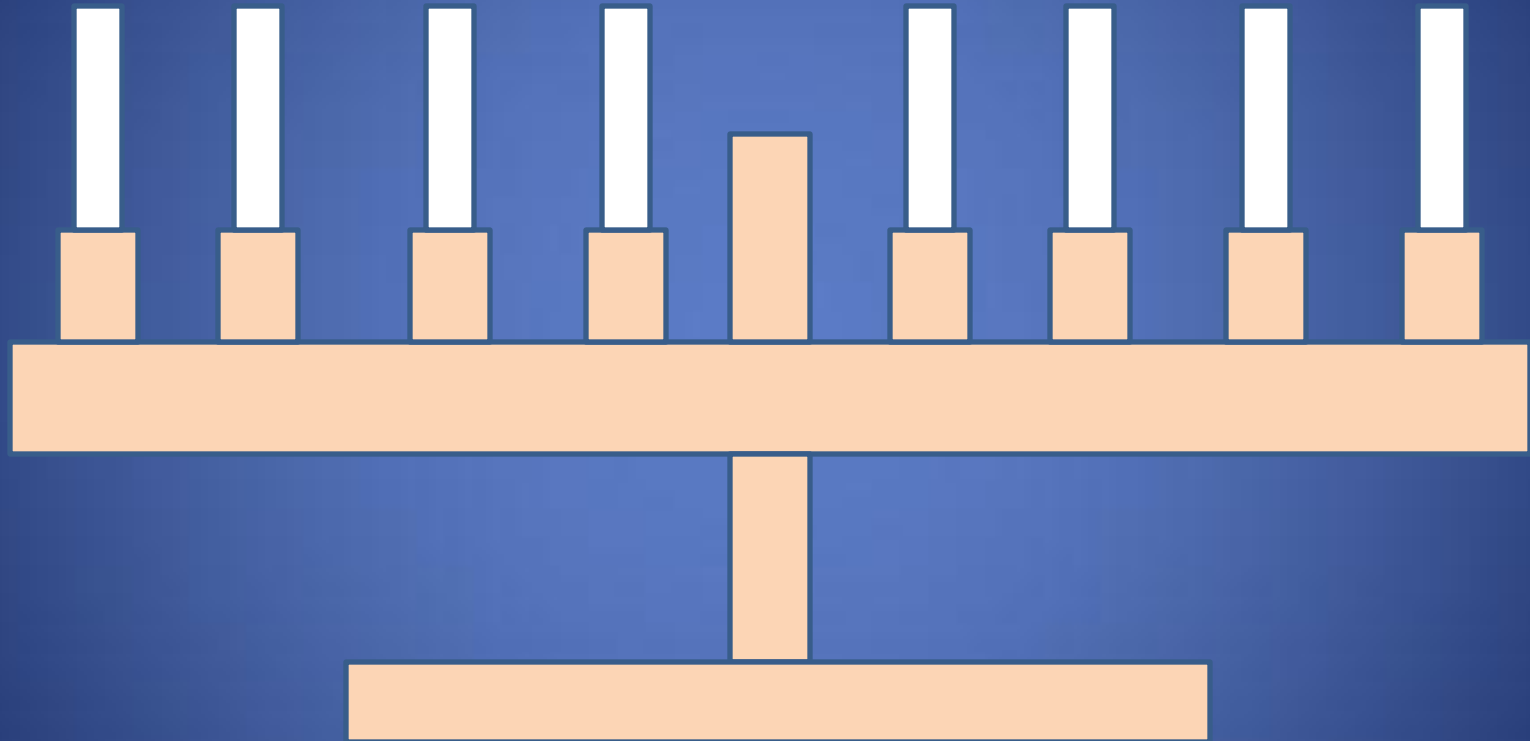

Celebrating our simchas together and having an attitude of gratitude...

Social action

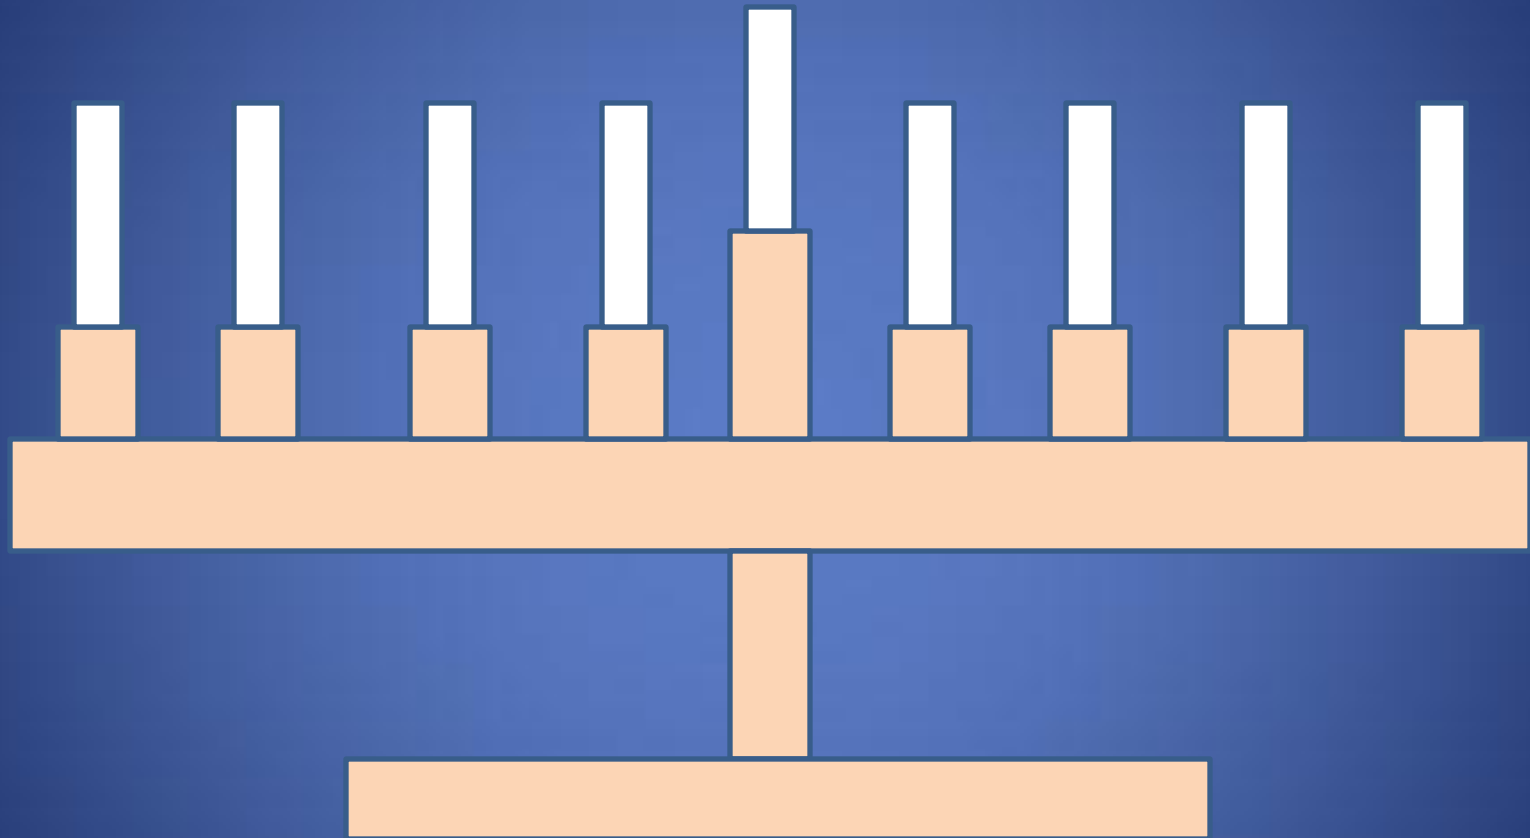

Helping those less fortunate to meet their needs...

Creative worship

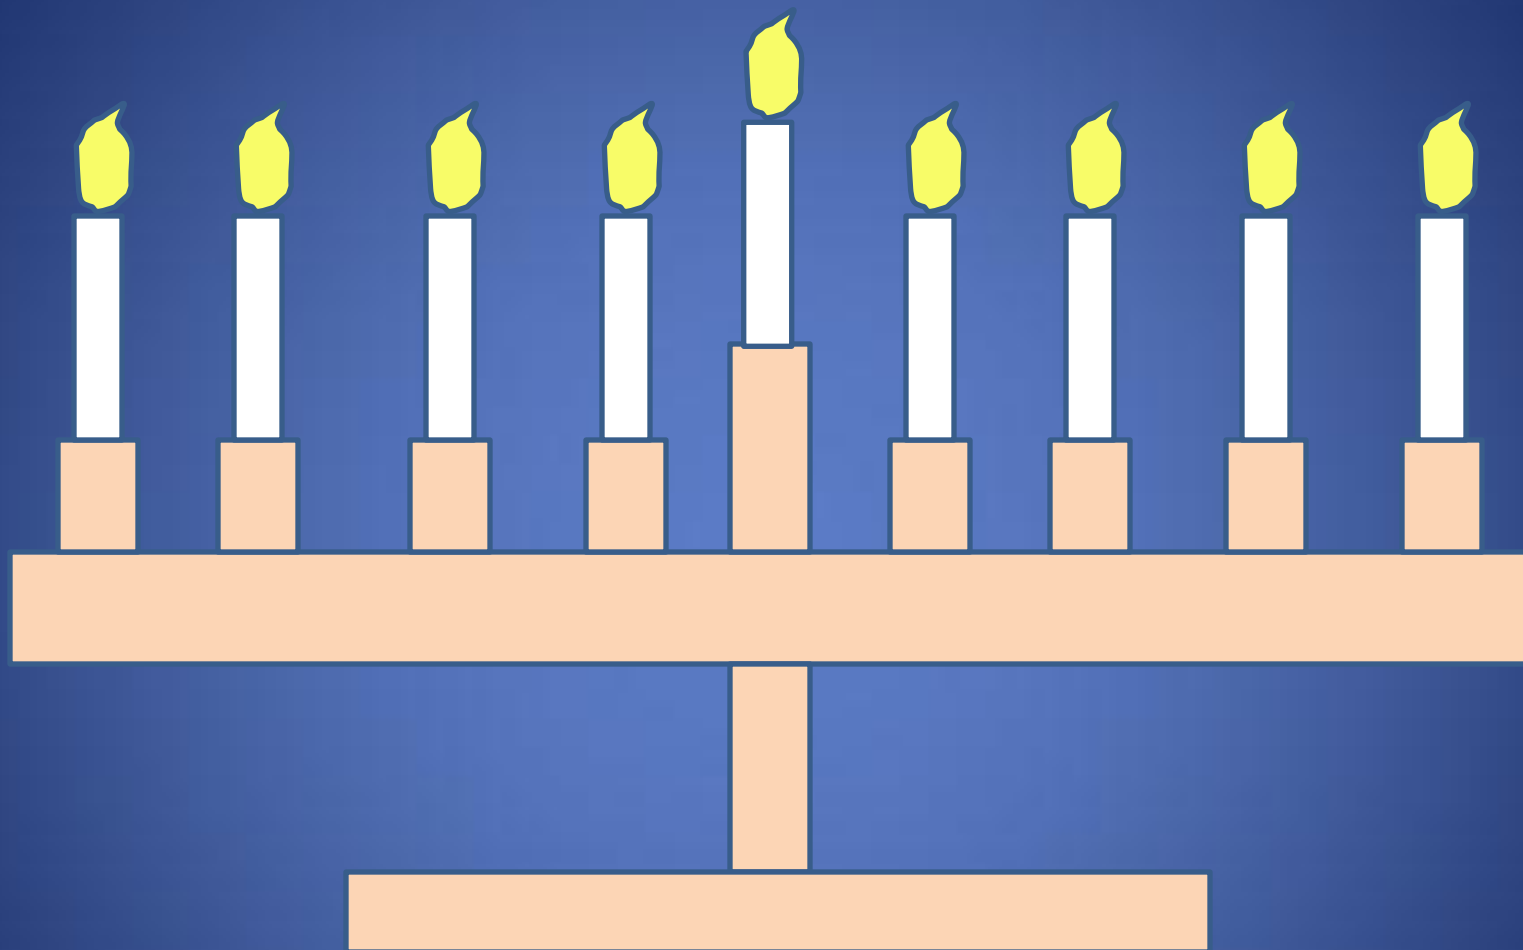

Through music, readings, tradition, and experimentation...

What about the shammes candle?

The shammes is the “helper candle.”
It is the one that lights
all the other candles.

Who is it that brings light to our
Little Minyan Hanukkah menorah?

We do!

Thanks to all the volunteers & paid
staff who brought light to the Little
Minyan this year.

May your light continue to shine and
add to all the other lights in our
community.

HAPPY
HANUKKAH
